

THE MASTER WEDDING SONGS CHART

This condensed, “no-fluff” Chart:

- ✓ **SAVES YOU TIME AND FRUSTRATION**. Countless hours have been spent researching and compiling this list from both online and offline sources. In other words, the hard work has been done for you & put all in one place!

Quality, not necessarily quantity, was emphasized. Matters such as the appropriateness of a song's lyrics (a factor that is often overlooked), & a song's uniqueness (ie. a contemporary composition that still has some “freshness” on the wedding scene). Indeed, there's a good possibility that you'll find songs here that you may not have otherwise found.

- ✓ **HELPS YOU EASILY CHOOSE** your wedding songs! Clicking on a song title will take you to an MP3 song clip. Easily discover what you like. Use this Chart to make your Wedding Songs Playlist.
- ✓ **IMPORTANT**: These are *general* guidelines! Just because a song is listed in one category does not mean it isn't suitable in another. Many of these songs easily “fit” into multiple categories and some are listed as such. Please note that not all listed categories and songs therein necessarily pertain to the Ceremony. In fact, some may be best suited for the Reception.
